So Will I (100 Billion X) [Lyrics]

[Default Arrangement] by Michael Fatkin, Benjamin Hastings, and Joel Houston

God of creation
There at the start, before the beginning of time
With no point of reference
You spoke to the dark and fleshed out the wonder of light

And as You speak
A hundred billion galaxies are born
In the vapour of Your breath the planets form
If the stars were made to worship, so will I
I can see Your heart in everything You've made
Every burning star, a signal fire of grace
If creation sings Your praises, so will I

God of Your promise
You don't speak in vain, no syllable empty or void
For once You have spoken
All nature and science, follow the sound of Your voice

And as You speak
A hundred billion creatures catch Your breath
Evolving in pursuit of what You said
If it all reveals Your nature, so will I
I can see Your heart in everything You say
Every painted sky, a canvas of Your grace
If creation still obeys You, so will I
(So will I, so will I)

If the stars were made to worship, so will I
If the mountains bow in reverence, so will I
If the oceans roar Your greatness, so will I
For if everything exists to lift You high, so will I
And if the wind goes where You send it, so will I
If the rocks cry out in silence, so will I
If the sum of all our praises still falls shy
Then we'll sing again a hundred billion times
Whoa

God of salvation
You chased down my heart through all of my failure and pride
On a hill You created
The light of the world abandoned in darkness to die

And as You speak
A hundred billion failures disappear
Where You lost Your life so I could find it here
If You left the grave behind You, so will I
I can see Your heart in everything You've done
Every part designed in a work of art called love
If You gladly chose surrender, so will I
I can see in Your heart, eight billion different ways
Every precious one, a child You died to save
If You gave Your life to love them, so will I

So Will I (100 Billion X) -

Like You would again a hundred billion times
But what measure could amount to Your de - sire
You're the One who never leaves the one behind

When I Survey (The Wondrous Cross) [Lyrics]

[Default Arrangement] by Kathryn Scott, Lowell Mason, Lowell Watts, and Isaac Watts

Verse 1

When I survey the wondrous cross
On which the prince of glory died,
My richest gain I count but loss,
And pour contempt on all my pride.

Verse 2

See from his head, His hands, His feet,
Sorrow and love flow mingled down.
Did e'er such love and sorrow meet,
Or thorns compose so rich a crown.

Chorus

O the wonderful cross,
O the wonderful cross
Bids me come and die
and find that I may truly live.
O the wonderful cross,
O the wonderful cross
All who gather here
By grace draw near and bless your name.

Verse 3

Were the whole realm of nature mine,
That were an of-f'ring far to small.
Love so amazing so divine,
Demands my soul, my life, my all.
